Sir:

This communication is submitted in response to the Restriction Requirement dated September 18, 2006. The Applicants hereby elect to prosecute the claims of Group VI, claims 43-68 and 89-99, with traverse. As stated in the MPEP §803, if search and examination of an entire application can be made without serious burden, the examiner must examine the entire application on the merits, even though the entire application includes claims to independent or distinct inventions.
